

# You Meet in a Tavern

You Meet in a Tavern is a tool for your Session 0, during character creation. It is designed for groups that want to leave blank spaces in their character's lives, and in the world they are interacting with. When you are ready to begin, each player should be assigned a number, 1-4. They will use that when referring to the questions below. Have the GM set the scene, introduce your characters, and then jump into the questions below!

## Environment

- 1: Have you been here before? If so, when was the last time you were here?
- 2: What bothers you about this place, or has always bothered you about it? What's the silver lining to this place?
- 3: Something important, interesting, or strange happened here recently. What was it? How did you hear about it, or were you involved?
- 4: Who is someone here that you have met before, or would like to meet?

## Bonds

- 1: 2 sacrificed something in order to help or save you. What did they sacrifice? Have you repaid them that debt?
- 2: 3 trusted you with a secret of theirs. What is it? Have you told anyone else?
- 3: 4 and you narrowly escaped from a tricky situation together. What was the situation? How did they save the day?
- 4: 1 is well known or important to your community. What is their reputation and how did they gain it?

## Complications

- 1: You chose between a valuable object and 4 sometime in your past. Which did you choose?
- 2: You got in a heated argument with 1 about something in the past. What was it about? Do you still harbor a grudge about it or have you gotten over it?
- 3: You have heard a nasty rumor about 2. What is it? Do you believe it?
- 4: A decision 3 made resulted in your getting in trouble with the law or some other authority figure. What did they do? How severe was the punishment?

## Looking Ahead

- 1: 3 is looking for something. What is it? How do you think you could help them find it?
- 2: You and 4 were already planning on a job before you met here at this tavern. What was that job? Are you still going to pursue it?
- 3: 1 has been somewhere you've never been to. What is that place? Do you want to go there with them?
- 4: You and 2 are owed a favor by a mutual friend or colleague. Who is that friend? What kind of favor do you want to cash in?
